# Life Groups

We have over a dozen Life Groups that meet during the week. These have multiple formats, and are meant to help form genuine relationships.

Within these relationships Biblical teaching, community, healthy accountability and encouragement can be found. Some of these groups also seek to engage in meaningful ministry together.

Most of the Life Groups meet in individual homes, some include childcare, and some enjoy a meal together. Each group decides together on their format and choice of study.

During the summer, most of these groups are on hiatus, or only meeting for socials.

**If you are interested in joining a group in the fall, please let us know and we will be happy to help you find a group that is a good fit for you!**
