WOMEN'S MINISTRIES NEWSLETTER

OCTOBER 2024

*Great is the LORD and most worthy of praise;  
his greatness no one can fathom.*

As we launch our new ministry theme this fall, we begin with a stamp of approval on the truth that God is worthy. Indeed! Even if He should never do another thing for us, (heaven forbid) the gift of His Son to give us life should be enough to keep us loving Him, serving Him, and sharing Him will all of our breath for all of our days.

**Ps 145:3**

## **Parent Workshop, Oct 16 @ 6:10-8:10 PM Lionheart Bldg, First Floor**

Jill Garner, author and speaker, is offering a workshop on Raising Respectful Children in a Disrespectful World. This workshop is applicable to elementary through middle school parents. Here you will find practical wisdom that will equip you to raise a generation of StrongHearts: morally courageous kids who are grounded in truth and fortified with self-respect who will be able to overcome the trials of life to become all God created them to be.

Childcare provided for kids 6 weeks – 5th grade. Cost is only \$10 per family. Register your family at [academychristian.org/myacc](http://academychristian.org/myacc)

To schedule time with Kathleen, please email [kathleen@academychristian.org](mailto:kathleen@academychristian.org)

# Canvas and Coffee Cake

Oct 5 @ 2-4p

Even if you're a Picasso-not-so-much, the happy little accidents you paint with the guided instruction will leave you with a greater appreciation for the artistry of our Creator as we celebrate His handiwork. Lorraine Fritts will instruct us in a rural fall painting.
