

Happy New Year!

I trust you have taken time to reflect on God's goodness through last year and are filled with His great expectations *for you* in 2025. As a reminder, our Women's Ministry focus will draw out the concept of **Worthy, Indeed!** From our Saturday morning brunches, to weekly Bible studies, and monthly special events including Table Talk gatherings, I pray this theme encourages you and causes you to worship more deeply the One who is fully worthy through all that 2025 brings.

- * Now is a great time to sign up for **Bible studies** beginning Jan 15 and 22. Please see the reverse side for your best option. Register on-line at www.academychristian.org/myacc.
- * If you are a young mom with preschool littles, please join **Mom-to-Moms** at 9:30-11:30 AM Weds. Your child will be cared for while you decompress and enjoy helpful adult conversation and fellowship. We'll be learning from seasoned moms and from the book ***Habits of the Household***. Please register your littles so we can plan with you in mind.
- * Our first **Women's Brunch** of the year is Saturday, Jan 25 from 9:00-11:00 AM. Our special speaker is Samantha Wagner with a personal story of great impact. The cost is \$10 and your friends are free! Register on-line.
- * **NEW! Pasta Time Game Night**—Come past'a time with other women from ACC while we enjoy a build-your-own-pasta bar followed by a night of table games! Friday, Feb 7 from 6:00-8:30 PM. Bring bread or salad or dessert or a crock of sauce and a favorite board game! Save the date and register on-line.
- * **NEW! Beloved Conference**—On March 7-8, Friday evening through Saturday afternoon, we will be joining Mountain Springs for their Beloved Conference. With a night of worship, a series of Ted-talks, panel discussions, and hands-on breakout sessions, this stay-at-home retreat will bless you to the core. Registration will open in Feb, but save the date now!

WOMEN**

Our ministry theme for the year is *Worthy Indeed!*

Sign up for the studies below as a reminder that indeed God is worthy by His very nature to be praised, adored, and served.

We are worthy of God's love because He says we are.

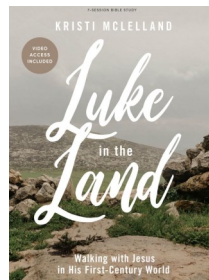

We are to be worthy students of God's Word where we learn that we each have a calling that is worthy and a life that should be lived by His Word and in deed.
